

We invite you to play and learn this summer at

The Little Red School House

Nursery Rhyme Summer School

Join us for a fun introduction to several nursery rhymes. We will review ABC's, emphasizing sounds, blending and starting to read. We will introduce common sight words. This is a fun curriculum taught at preschool, but current students will miss this curriculum because it is only taught every 3 years at our school.

I'd love to share a condensed version with the kids before sending them to kindergarten!

Children preparing to enter kindergarten next year are encouraged to attend. Children ages 4-6.
